## Children in Motion is offering three new groups for our Summer Programs!

## A great way to learn and have fun!

### Fabulous Fingers

Ages 3-5 years    8 Hours    \$280

This group offers a fun approach to develop the muscles within the hand for fine motor manipulation and writing skills. Gross motor activities will be implemented to prepare the body and brain for fine motor work. Fine motor activities are chosen specifically to promote correct motor coordination, strength, grip, and prehension as well as finger mobility. The development of these key areas will prepare the child for successful manipulation skills needed for home and school. There will be plenty of movement and tactile experiences to help motivate and maintain the attention of the children.

June 6-9    10:00-12:00  
July 11-14    10:00-12:00

### Looney Letters

Pre-K 4-5 years    12 Sessions    \$420

This group is designed for the preschool child who is beginning to write. The group will include specific instruction of Uppercase Letter formation using the Handwriting Without Tears Curriculum. A variety of finger labs and activities will be provided to develop the muscles of the hand as well as spatial concepts using a multi sensory approach. Learning to write has never be so FUN!

June 13-16, 20-23, 27-30    1:00-2:00  
July 11-14, 18-21, 25-28    1:00-2:00

### Writing Warriors

K-1st grade    12 Sessions    \$420

This group is designed for the kindergarten and first grader and will include specific instruction on Handwriting Without Tears Curriculum. Letter formation instruction will be supplemented with a variety of multi sensory activities designed to reinforce letter formation, grip, and line orientation.

June 13-16, 20-23, 27-30    3:00-4:00  
July 11-14, 18-21, 25-28    3:00-4:00

In addition to Summer Programs, Children in Motion offers a variety of Occupational Therapy services. Please contact us for more information!
